

## PRESS RELEASE

### For Immediate Release

### Seven SUNSTEIN attorneys listed in *The Best Lawyers in America 2019*

**BOSTON, MA – August 15, 2018** - Sunstein Kann Murphy & Timbers, an intellectual property law firm in Boston, announced that seven of its partners have been named to *The Best Lawyers in America*© 2019 list. Bruce Sunstein, Kerry Timbers, Timothy Murphy, Lisa Tittlemore and Lawrence Green have been selected for *Intellectual Property Litigation*, Kathleen Madden Williams, Ph.D. has been selected for *Patent Law*, and Steve Abreu has been selected for *Trademark Law*. In addition, Mr. Green was selected for *Patent Litigation* and *Patent Law*.

Mr. Sunstein, founder of the firm, is a patent and intellectual property strategist for market leaders and startups in diverse industries including computer hardware and software, electronic circuits and systems, communications and speech, medical devices, pharmaceuticals bioinformatics, and mechanical devices.

Mr. Timbers, Co-chair of the firm's Litigation Practice, has extensive experience trying complex patent litigations in a variety of industries including the life sciences, technology, and consumer oriented products. His trial background includes jury and non-jury cases, and arguments before the Court of Appeals for the Federal Circuit.

Mr. Murphy is Co-chair of Sunstein's Patent Practice Group. The technologies that he has handled are wide-ranging and include: mechanical and electromechanical devices, such as electric motors, scanners and plotters, printing press technology, IV delivery systems, blood-processing equipment, surgical instruments, diagnostic equipment, HVAC, and clean room systems, computer hardware and software as well as a variety of pharmaceutical matters.

Ms. Tittlemore, Co-chair of the firm's Litigation Practice and Co-chair of the firm's Trademark Practice, is a seasoned litigator, serving as lead counsel in patent, trademark and copyright litigation in federal courts throughout the United States. She has extensive experience in intellectual property matters, providing strategic counsel to clients on both domestic and international issues and guiding the firm's efforts in protecting and enforcing clients' valuable brands and ideas.

Mr. Green, a patent lawyer partner at the firm, is highly experienced in handling pharmaceutical and biotechnology patent interferences and litigation, patent and trademark prosecution, and clearance opinions on validity, infringement and patentability.

Ms. Williams is Chair of the Life Sciences Patent Group. She brings extensive experience with biotech and pharmaceutical IP strategy, which includes building and managing patent portfolios and avoiding competitors' roadblocks. She has experience in not only patent prosecution but also related proceedings such as reexaminations and interferences before the US Patent & Trademark Office and the Board of Patent Appeals and Interferences.

Mr. Abreu is Co-Chair of the firm's Trademark Practice Group. Steve's clients are varied and include renowned institutions of higher learning, consumer and medical product companies, and specialty magazines. He also represents well-known manufacturers of pharmaceuticals and biotechnology products.

Since it was first published in 1983, Best Lawyers® has become universally regarded as the definitive guide to legal excellence. Best Lawyers lists are compiled based on an exhaustive peer-review evaluation. Lawyers are not required or allowed to pay a fee to be listed; therefore inclusion in Best Lawyers is considered a singular honor. Corporate Counsel magazine has called Best Lawyers "the most respected referral list of attorneys in practice."
